Decorative Panels

For Exterior & Interior Use

Deck Patios | Dividers | Fences | Gardens | Pools | Facades

Seating Areas | Waste Bin Enclosures | AC Equipment Covers | Wall Art

Island Decor Fencing offers an extensive range of panels

Our products are not only stylish and visually appealing but also highly durable and long lasting, making them a cost-effective investment for your home or business. Whether you're looking for a decorative panel to spruce up your backyard or you want to add a touch of sophistication to your interior walls or ceilings, we have the perfect solution for you.

Our panels are sold in the following types: STANDARD & LITE

Standard Panels are large as well as mid-sized and are ideal for wall and fence decor. Lite Panels are used the same as standard but are easier to transport and carry and can be installed by one person. Our standard panels require two people to assemble.

We offer the following colors: Espresso/Brown   Charcoal   &   Black

Colors do not apply to all panels and are only available based on type and size.

You are not limited to just our colors. You can paint the panels to your desire:

Adding a panel to a colored wall adds a flare to the esthetic:

When light is applied to the background of a panel, it adds more appeal to the surrounding environment:

SOLID PANEL

As displayed in the picture above, Solid Panels are intended to be used for side coverage.
and are not to be used as a front panel or for entire coverage.

Solid panels are used as end pieces.

They can be used to set off patterned panels in structures and fence designs as well as planters, benches, storage boxes and more!
